

## HH BEAM CLAMP MODEL : YS TYPE

### Technical Information:

- Heavy duty construction allows safe and secure grip in the beam.
- Black Color finish.
- Meets the performance requirements of BS-EN 13155.
- Minimum breaking load is 4 times the WLL.
- Easy and simple mounting.
- Adjustable to fit a wide range of flange widths and beams.
- Special jaw design applies the load away from the flange edge, thus reducing flange stress.
- MII Test Certification available.
